Aquatec® Ocean Universal Soft Seat

Closed soft seat without hygiene recess

- Provides much more comfort compared to a soft seat with recess with insert
- Perfect Solution: Commode can also be used as bathroom chair

Stable feeling for the user

- Wooden core assures a stable and strong seat plate
- Soft seat is fixated in the hole of the seat plate

Non-slipping textured surface

- Safe seating for the patient in a wet environment
- Soft and comfortable feeling for the user

Easy to clean

- Cleaning up to 60° possible
- Plane surface and no rough edges

One fits two ranges

- Fits on all *Aquatec® Ocean* models
- Fits on *Aquatec® Pico commode*
